If a defect is found, we will repair or exchange or provide a replacement part or product, or make the appropriate adjustment. Normal wear and tear or damage from daily use is not warranted. For example, “living finishes” on unsealed items such as bathtubs drains, drain covers, overflow covers can be expected to naturally change over time and with normal use. This is not considered a defect and is not covered under our warranty. Other exclusions include damages incurred as a result of installation, replacement or repair, and damages due to improper cleaning, misuse or neglect.

The remedy or repair or replacement as provided under this Limited Warranty is exclusive.

Bagno Italia options of repair or exchange or replacement of the product under this limited warranty does not cover any labour or other cost of removal or installation. In no event shall **Bagno Italia** be liable for any consequential or incidental damages to any person, whether or not occasioned by negligence of **Bagno Italia**, including without limitation damages for loss of use, costs of property damage or other monetary loss.

- **Care & Maintenance**

You can clean your **Bagno Italia** bathtub simply by using warm water and soap rubbing the surface with damp cloth. Don't use bleach or abrasive cleaner. Always read the cleaner labels before use. We highly recommend that from time to time to use acrylic cleaners as they will maintain the finish of the surface of the bathtub. Never use metal brushes or metal blade or knife to remove paint stain. Any use of abrasive cleaners or sharp objects to clean the bathtub will void the warranty.

If you use bathtub matt, you must remove the matt after use as keeping the matt on the bathtub surface might create permanent imprint of the matt on the acrylic surface and this will void your warranty.
